		Notes								
		Have ignored bookings this year (20) and gone from 21 as the 4 most popular weeks are already booked - weeks 30-33								
		The rota remains in place on a decade basis								
		Friday to Friday to ensure each week includes a weekend.								
		Better to use week numbers (based on American calendar) rather than dates some weeks straddle month ends etc.								
		31st March the deadline for confirmation of that year's bookings.								
		Week 26 is the last in June and Week 35 the first in Sept								
		No-one has more than two years without a 30-34 week allocation								
		Use of a week can either be left to whoever wants it, or 'owner' can nominate someone else - either fellow owner or other family member.
